2000m above sea level, the international beach volleyball elite will battle for the trophy

SERVED ICE COLD – the slogan for the Snow Volleyball Tour 2015 describes this extraordinary event series perfectly. A unique atmosphere, cool drinks and top-quality snow volleyball are almost literally 'served up' at a total of 6 tour stops.

This year, the tour is coming to 5 different countries for the first time. From early March to mid April 2015, around fifty international volleyball pros from numerous nations will compete in Switzerland, Austria, Germany, Italy and new host the Czech Republic for the title "King of Snow".

MAIN EVENT, Sunday, April 5th, 2015, St. Anton

St. Anton am Arlberg is a very special site for the Snow Volleyball tour, as the Rendlbahn mountain station has been the foundation of the tour since 1998. This is why we always look forward to hosting the Snow Volleyball Tour final here in April, at the home resort of ski legend Karl Schranz, and to crowning the best volleyball players of the winter season "Kings & Queens of the Snow"!

We want the barrel to overflow in 2015 too and ensure a fantastic location at an altitude of 2,030 m, with palms, hot tubs and bars. Cheerleaders will pump up the crowd and players to guarantee a wonderful atmosphere and an unforgettable end to the tour!

List of beach volleyball professionals
