### **2000m above sea level, the international beach volleyball elite will battle for the trophy**

SERVED ON THE ROCKS –the slogan for the Snow Volleyball Tour 2014 ideally describes this extraordinary event-series. A unique atmosphere, cool drinks and Snow Volleyball at its highest level will literally be „served“ on five tour stops.

This year, for the second time, the tour gives a guest performance in four different countries. In Switzerland, Austria, Germany and Italy for about fifty international beach volleyball professionals from numerous nations it is all about the Title „King of the Snow 2014“ from March to April 2014.

### **MAIN EVENT, Sunday, April 6th, 2014, St. Anton**

The cradle of Snow Volleyball: another way to describe St. Anton in Arlberg. In 1998, the very first Snow Volleyball tournament was recorded there. Not to imagine being without this location. This year it is going to be really exciting in Karl Schranz´s hometown.

The recipe for a great Snow Volleyball weekend in Arlberg: take highly motivated athletes from different countries. Then put them through their paces in a snow arena 2.030 m above sea level with a capacity of 3.000 people and serve an extraordinary program to the audience.

### **List of beach volleyball professionals**
